RESIDENT APPRECIATION

We LOVE our residents! And to show just how much, we are celebrating you for an entire month! Each neighborhood will have its own designated Resident Appreciation Week throughout the month of March. The schedule of activities is as follows:

March 6-10 (Washington Grove/Monroe Manor)

March 13-17 (Jefferson Terrace/Harrison Villa)

March 20-24 (Adam's Chase/Madison Park)

March 27-31 (Jackson Circle)

Tuesday- Breakfast on the Go: 8:00 am - 8:30am, Resident Service Specialists will be passing out breakfast to residents as they enter and leave their neighborhood.

Wednesday—Community Information Meeting: 4:30 - 6:30pm Good food and good info about your neighborhood!

Thursday – Gift at your door!

We look forward to seeing our wonderful residents at these events! Be sure to bring the whole family!

COMMUNITY NOTE

Now that the weather is starting to get warmer with each passing day, you will probably be tempted to take your furry little family members out for a nice walk outside.

It's inevitable that while on these walks, your pup might need to take care of his/her business. (Such cute little multi-taskers) Luckily, we have pet waste stations set up throughout the community. However, it is also prudent to bring a bag from home, just in case. Keeping pet waste off the ground keeps our neighborhood children safe from germs and parasites that might get left behind if it is not properly disposed of.

Spring Cleaning Safety Tips

Ready to tackle a few spring cleaning chores?

Don't try to do it all in one day. It's hard to stay safe when you're tired or rushed. Lift properly - keep your back straight and lift with your legs. Or find a buddy! Be cautious using ladders and step stools. Follow cleaning product safety information. Read the label and use as directed. Keep cleaning buckets out of reach. A child can drown in a few inches of liquid. Clear away clutter to avoid trip hazards. Check your fire extinguisher. Replace smoke and CO detector batteries. If you have questions about your detectors, please contact maintenance.
