FORT LEE INSIGHTS
NEWS & STORIES

HAPPY HOLIDAY!

Our CEO's Message

Dear Residents,

Our team has taken time to reflect on all that has occurred in 2021. Although this past year was still not back to normal, we did take time to step back and assess ways we can better serve our residents. This past year we provided many programs to serve our families with children such as Hunt Little Heroes,

Operation Homefront's Back to School Backpack Brigade, and our Patriot essay and video contest. We also conducted a food drive to help our military families and local community who may be addressing food insecurity concerns. These are just a few of the many programs, contests, and support services we were honored to provide our residents. Most importantly, we listened to your feedback from the CEL and Satisfacts surveys and took time to address areas you expressed as needing additional attention. We have prioritized several areas of our company to improve our service delivery and operating processes to create a better resident experience for your families.

I sincerely wish you and your family happiness, good health, and time together with the ones you love most during the holidays. Thank you for your service and sacrifice for our great nation. We are grateful for you.

All the best,
Brian Stann
