

# COMMUNITY DIRECTOR UPDATE

## SEPTEMBER 1, 2026

### COMMUNITY NEWS

#### August was filled with a week of exciting events!

We celebrated the opening of our newest playground in Harrison Villa. Due to the weather, we could not officially host National Night Out on August 4th, so we held it on August 11th. AML Ford of Prince George donated hot dogs and hamburgers and the Military Police Officers graciously cooked on the grill. Vendors gave out lots of information and plenty of giveaways. The kiddos enjoyed sitting in the fire truck, ambulance and police cruiser. Wrapping up the week, we distributed backpacks and supplies. The kids also enjoyed snacks and had their name entered into a drawing to win a prize.

### MAINTENANCE TIP

Smoke detectors should be checked monthly to ensure they are working properly. This involves testing the alarm by pressing the test button. Batteries should be replaced twice a year, typically when daylight savings time changes. If a smoke detector has a low battery chirp, the batteries should be replaced immediately.

### RESIDENT REVIEWS

Our office and maintenance teams are providing excellent customer service to our residents. Here are just a few comments from our Satisfacts Survey:

- ★ "Paul is great! He was very nice and courteous when we told him our toddler was taking a nap and he whispered. We really appreciate his quick response. Overall, a great experience."
- ★ "Hunt has been very responsive and supportive. Lucian is a great tech and a very professional employee. He is so supportive and helpful. He takes pride in his work and the community. He was able to diagnose a failed motor and replace it quickly."
- ★ "Excellent move-in experience. I have been renting homes for 20 of the 24 years that I've been in the military and Ms. Janet Cousins and Ms. Kim Randolph are the best leasing agents with whom I have ever worked with period! They both made the move-in and lease signing process flawless. I could not have asked for a better team. They were very responsive and helpful. They were always available to answer any questions that I had. This process was seamless and stress free for me and my family due to their extreme professionalism and caring. They are the best! Phenomenal job all the way around!"
