

COMMUNITY DIRECTOR UPDATE

OCTOBER 1, 2026

COMMUNITY NEWS

Fort Lee Family Housing hosted Yappy Hour on September 9th where our families came out with their furry family members and enjoyed treats and great weather at our centralized dog parks.

We also hosted our Annual Fall Festival on September 23 where our residents enjoyed food, fun, games, and prizes while congregating with their neighbors. On September 14th we also kicked off the start to our new Renovation Project in Monroe Manor!

MAINTENANCE TIP

- Protect outdoor faucets: Disconnect hoses, shut off exterior water valves if possible, and cover spigots with insulated caps.
- Cleaning and clearing the dryer vent duct (beyond just the lint trap) is widely considered one of the most frequently forgotten and dangerous home maintenance tasks.
- Store outdoor gear: Cover patio furniture or move it into the garage.

RESIDENT REVIEWS ★★★★★

"Chris was friendly and knew exactly how to solve my problem with the sink. It was remarkable how quickly he was able to fix it."

"Our maintenance tech Ro was very thorough and timely getting our A/C unit serviced and back to working. She also called later that evening and the next day to make sure that the A/C unit was still in working order. I would highly recommend her to fix your maintenance issues."

"Ladies and gentlemen Aloha and hope all is well! Brandon is a god send to his community, the other teammates are great, but Brandon treats you as he would want his family treated. Really a great asset as well as the team behind the curtain, truly a great community to be involved with and around! Thank you all for what what do!"

"The two gents who came by are extremely professional. Both have worked in orders at our house before. They are exactly the kind of folks one would hope for. They are careful to do jobs right, manage expectations, and communicate clearly throughout the process."
