COMMUNITY DIRECTOR UPDATE

COMMUNITY NEWS

Fort Lee Family Housing hosted our amazing Family Feast. On November, 10th, 12th, 17th, and 18th each neighborhood center opened to serve a Thanksgiving style dinner. Our residents came out to enjoy plenty of food, desserts, laughter, and fellowship with their neighbors. Everyone had an amazing time.

MAINTENANCE TIPS

- NEVER turn your heat off under any circumstance. Set your thermostat no lower than 68 degrees. Even if you are planning on going out of town or leaving your home for more than 24 hours, it is imperative to leave the heat running to help prevent your pipes from freezing and bursting.
- Remove heater obstructions. Make sure heat registers or baseboard heaters are not obstructed.
- Do not warm up your vehicle inside your garage. This can create high levels of carbon monoxide in your garage and your home.

RESIDENT REVIEWS

"I just wanted to say thank you to the Hunt staff for doing their best with managing the issues that have been happening at the new playground off of Casablanca and Antwerp Ct. I called about some of the issues last week and the team member I talked to was so helpful with my concerns! I have also seen team members addressing teenagers who they see at the park being destructive. The teens were disrespectful to the employee, but I was so appreciative as a mom with little kids who was nervous to let my kids play while they were there. This afternoon, I looked out my window and saw a Hunt maintenance member picking up garbage at the playground. Thank you for making our playground look nice and taking our concerns seriously! THANK YOU!"

"Chris is an awesome dude, a great guy! He even fixed an additional problem that wasn't on the work order. Super fast, very friendly, all-around outstanding work and wonderful service!"

"Outstanding support from your team. This was an early Saturday morning major issue that was resolved quickly. Additionally, the cleanup effort was to standard."

"I like that the repairman provided suggestions in writing and left them at the counter to avoid future problems. We were not at home at that time. Kudos for the courtesy."
