FORT LEE
A HUNT MILITARY COMMUNITY™

ONE MISSION. ONE COMMUNITY.

St. Patrick's Day

Saint Patrick was a patron of Ireland, who actually was not born there. He continued his service across the country throughout the 5th century. Although most countries celebrated in the 20th century, we began parades for St. Patty's Day in the 18th century here in America. Since then, we've celebrated the holiday each year with amazing festivals nationwide. Happy Saint Patrick's Day!

Spring is on the Way!

Isn't it amazing that only a few short weeks ago we were cold in the snowy winter weather? Now the cool, warm evenings of the spring have started to descend upon us. Soon we will be hearing the rustling of the leaves in the warm evening breeze. Synonymous with this change of the season are the holidays that are quickly approaching. As things start to warm up, we're looking forward to the outdoors and the amazing events we have in store for our Residents of Fort Lee Family Housing. Well see you out there, and happy Spring everyone.

Resident Appreciation Week

We Love our residents! To show just how much, we are celebrating all of our residents for an entire month! Each week of March, we'll be honoring the different neighborhoods by providing breakfast on the go, dinner, and a Thank You gift delivered to resident's homes. These events will take place on the weeks listed below.

- Washington Grove & Monroe Manor
Week - March 5th through March 9th
- Jefferson Terrace & Harrison Villa
Week - March 12th through March 16th
- Adams Chase & Madison Park
