April Rain & Spring Storms

April brings many things - cherry blossoms, income tax day, and spring storms. Advance planning makes sense. Here are some severe weather tips:
 Assemble an emergency kit. Include: Flashlights and a NOAA weather radio, with extra batteries
 List of phone numbers, insurance and medical information
 Extra chargers for cell phones
 First aid kit
 Food & water
 Medications, baby supplies
 Review emergency plans with your family. Also, keep fridge and freezer doors closed; turn off or unplug appliances to prevent damage if power surges back on.
