# HAPPY FATHER'S DAY

## Our President's Message

From all of us here at Hunt Military Communities, I want to wish all the fathers out there the sincerest Happy Father's Day. Whether you are serving far away or close to home – or supporting a spouse who is active duty – your commitment to your country and families is admirable. We look forward to honoring you this month.

In May, Hunt Military Communities teamed up with Wear Blue: Run To Remember in organizing Memorial Day virtual run/walk events in our communities. Wear Blue: Run To Remember, a national, nonprofit organization is committed to building a running community that honors the service and sacrifice of the American military.

This year, wear blue hosted the event as a virtual run/walk, enabling runners and walkers from all over the U.S. to continue on in the mission – to honor our nation's fallen by learning their stories, speaking their names out aloud and honoring their legacies. Runners and walkers were encouraged to participate on an individual basis and became part of a living memorial to America's fallen heroes and showed support for the families they left behind. Hundreds of HMC employees and residents participated in the event across the U.S.

Thank you to all who ran, walked, and supported this worthwhile event. It is because of your dedication to the cause we are able to honor and recognize our American fallen heroes in such a thoughtful way.

Best,

John Ehle  
President  
Hunt Military Communities

## Father's Day!

This year, we will be celebrating all of our amazing dads on Sunday, June 21, 2020.

Father's Day is a day of honoring fatherhood and paternal bonds as well as the influence of fathers in society.

It celebrates the contribution that fathers and father figures make for their children's lives. Its origins may lie in a memorial service held for a large group of men, many of them fathers, who were killed in a mining accident in Monongah, West Virginia in 1907.

## Be An Active Voice!

Fort Lee Family Housing would like to invite you to join your Community Advisory Board. We need a representative for each of the following neighborhoods: Jackson Circle, Adams Chase, and Madison Park.

If you are interested in representing your neighborhood, please visit our office or call us for additional information.

Fort Lee Family Housing founded the new Community Advisory Board in 2019. Residents from each neighborhood and a representative of Hunt Military Communities at Fort Lee comprise the Board. The CAB meets periodically to discuss various topics of interest, assist in planning community events, as well as serve as an active liaison for information between neighborhood residents and Hunt Military Communities. Please consider this opportunity to bring life and spirit to the community through cooperation within our neighborhoods.
