For all after hour maintenance emergencies, please call 804-733-1558 and press option 3.

LIFE AT LEE 2016

Fun and benefits for the whole family! Fort Lee Family Housing has teamed up with organizations from all over post to show residents all of the wonderful benefits provided to those living on post! Participating organizations include FMWR, ACS, PMO, The Fort Lee Fire Department and many more organizations. On **May 14th**, from 11am – 2pm, these sponsors will come together at the Fort Lee Family Housing Welcome Center, located at 1510 Sisisky Boulevard, to support this terrific event created for service members and their families.

A BBQ lunch will be provided for those who attend. For the children, there will be fun activities; a game truck, bouncy house, temporary tattoos, face painting and the fire safety trailer!

This event has been a huge success in the past and we look forward to another fun and informative Life at Lee celebration this year.

Hunt Update

Military Spouse Appreciation Day

A holiday since 1984, the Friday before Mothers' Day is Military Spouse Appreciation Day. While this may get overshadowed by Mothers' Day, consider doing a little something special for those military spouses alone on this day – a call, a card, an invite to happy hour in the driveway while the kids ride bikes. Encourage kids whose military parent is away to do something – make a card, make a book to read to the parent at home, plant a flower in a decorated pot, make anything with a kid's handprint on it.

There's still time to complete your Resident Satisfaction Survey! Our community benefits greatly from your response – it drives projects, process changes and programs all year long. If you've deleted your survey without responding, please contact your neighborhood office for a replacement.

Maintenance

Summer's just around the corner! Here are a few maintenance and safety reminders:

Give your air conditioner a test run to ensure it's operating properly. Don't wait until the first scorching day! Please initiate a maintenance request if needed.

Let Mother Nature cool your home – open windows on cool mornings and evenings, close windows and shades during the heat of the day.

Summer means more outdoor activities – be on the lookout for runners, bike riders and children playing. Don't forget sunscreen and bike helmets! Watch children around water. It only takes a few seconds of inattention and a few inches of water for tragedy to happen.

Ensure grills are attended by an adult when in use. Keep grills away from homes, fences, other structures, overhangs and trees. Have a hose or fire extinguisher within reach.
